

**PUMPKIN CANNOLI** (Crowd Favorites, Desserts)

- 1 package Halladay's Pumpkin Cheesecake Mix
- 1 (8 oz) block cream cheese, softened
- 1 cup ricotta cheese
- 2 Tbsp granulated sugar
- 1 cup mini chocolate chips, divided in thirds
- 1 package sugar cones

Combine our Pumpkin Cheesecake Mix and sugar with the softened cream cheese. Add in ricotta cheese and blend well. Fold in  $\frac{1}{3}$  cup of the mini chocolate chips. Chill for at least one hour.

**HOW TO SERVE IN CONES:** Cut about 2 inches off the end of the cone. Fill the cone with mixture, then dip each end in the remaining  $\frac{2}{3}$  cups chocolate chips. Chill at least one hour before serving. It is best to serve these within a few hours to avoid the cones getting soggy.

**HOW TO SERVE AS A DIP:** Pour the mixture into a small serving bowl. Gently break the sugar cones into pieces and serve with the cannoli dip.
